

REMARKS

Applicant submits this preliminary amendment to enter substitute drawing Figures 28, 29, 30 and 32 in the above-identified application.

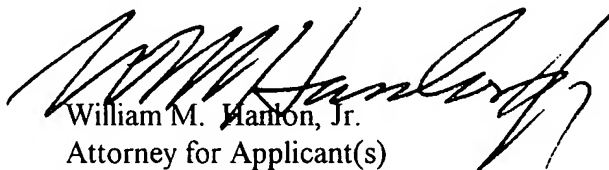

In a decision dated September 11, 2002 denying Applicant's petition requesting vacating of the Notice to File Missing Parts of Nonprovisional Application to the extent that it stated that Figures 28-30 and 32 were omitted from the substitute drawings, Applicant hereby submits substitute drawings containing Figures 28-30 and 32 and requests that such drawings be entered as the drawings find full support in the specification as originally filed in the provisional application, the entire contents of which were incorporated in the subject application by reference.

Due to the decision denying entry of Figures 28-30 and 32 as previously submitted, it is submitted that entry of these drawing figures by preliminary amendment is warranted to support the written specification.

Accordingly, approval and entry of the substitute drawings containing Figures 28-30 and 32 is respectfully requested.

Respectfully submitted,
